Superintendent's Corner

Happy New Year from Johnsburg Central School!

As we usher in the New Year, it's a perfect time to reflect on the past while looking ahead to the opportunities that await us in 2025. The start of a new year provides us with the chance to reset and reassess our goals—not just for our personal lives, but for our academic journeys as well.

For students, the end of the school year may sometimes feel defined by one last test or an essay grade that did not go as planned. Many times, when reviewing grades, students may think that a single missed opportunity, like an 89 on the final exam, was the turning point. However, in reality, it is not just that one test or paper that determines the outcome, it's the series of decisions made throughout the year—the daily choices, habits, and efforts that lead to success or struggle.

That's why now, at the start of the new year, is the perfect time to assess where you are academically. Are you making the most of your time? Are you managing your work consistently throughout the year? Small changes, made now, can have a significant impact on your final outcomes. If you take a moment to reflect and adjust course now, you will find yourself finishing the year with greater success—and fewer last-minute rushes.

As we begin this New Year, I would also like to take a moment to express my gratitude for the

wonderful community that makes Johnsburg Central School such a special place.

Thankful for Our Students

First, I'm thankful for our incredible students. Each day, they come to school ready to learn and grow. They engage in their studies with enthusiasm and participate in all aspects of school life—whether in the classroom, on the athletic fields/courts/trails, or the musical stage. Their pride in being part of Johnsburg is evident, and they truly are the heart of our school.

Thankful for Our Staff

I am equally thankful for our dedicated staff. They come to work each day with a commitment to providing our students with a safe, supportive, and engaging learning environment. Over the years, I've seen our teachers and staff go above and beyond in ways that often go unnoticed—ensuring that every student has the opportunity to succeed. Their dedication is a key factor in the thriving academic community we have here.

Thankful for Our Community

Lastly, I'm grateful for the continued support of our Johnsburg Central School community. Our local community members—parents, alumni, neighbors, and friends—are always there for our students. Whether celebrating our victories or supporting us through challenges, the bond we share with the community makes us stronger. Their involvement and encouragement mean the world to us.

As we look forward to 2025, I am filled with optimism for all that lies ahead. I am truly fortunate to work in such a vibrant, supportive, and passionate community. Here's to a new year filled with growth, achievement, and shared success.

Happy New Year to all!

Principal's Message

Happy New Year to the Johnsburg Community!
Have a safe and healthy 2025!

QUESTION OF THE MONTH:

This month's question was asked to Mrs. Turcotte's third grade class.

Can you describe the most incredible snow day...

The most incredible snow day would be playing in the snow with friends and family. You can make whatever you want in the snow. You can make a snowman by making three big balls. Then you need rocks for the eyes, and the smile. Then you need sticks for the hands. You will need a carrot for the nose. You will need a hat for his head. If you want your snowman to have a scarf, you can give your snowman a scarf. You can make a snow angel in the snow too. That is what I would do on an incredible snow day!

Ruhi Thakor

The most incredible snow day will be with fluffy snow to pack and make a snowman to come alive with joy in his face. You can make snow angels with your friends. I will go skiing with my friends and go up ski lifts and down mountains. It will be beautiful. So beautiful you will never forget that day!

Lilly Bliss

The most incredible snow day would be Christmas. We would make snowballs and have hot chocolate. We could also watch Christmas movies, get presents and open them. Christmas would be the most perfect snow day.

Sarra Newton

The most incredible snow day ever was when I played hockey with my brothers. I went sledding down the hill at my house. It was fun! That is what I did on my snow day.

Wyatt May

On the most incredible snow day ever I was with my sister, my brothers, and cousins. On that day everyone was sledding. We went sledding at my house. Sissy went with Peyton and the sled flipped over. I went with Rowan but we didn't flip over. That is what we did on the most incredible snow day ever.

Rhys Olesheski

The most incredible snow day ever was when I looked out the window and I saw my yard covered in snow. I jumped out of bed, ran to the living room, and asked my stepmom if I could go outside. After she said yes, I went outside for an hour. There was no school that day. I just ran around and had fun in the snow.

Robert McComsey

The most incredible snow day I had was amazing. Let me tell you the story. We go way back. It all started on a winter's day. My whole family was getting ready to go outside and build a snowman. Then we went sledding. I went first and it was a lot of fun. Then everyone else went. Peyton wanted to go too. Rowan and Peyton thought that it was a good idea to go with three people. They asked me if I wanted to go, so I agreed. We started going and once we reached the bottom the tube flipped on me and the boys landed plop on my head. Luckily I was okay. That was my best snow day.

Hollis Olesheski

The most incredible snow day ever is when you get to go skiing with your family. It is also fun to go sledding. I also like to go ice skating with my sister and my cousin. That is the most incredible snow day ever.

Caida Ovitt

The most incredible snow day I ever had was when my brother and I were spending the night at my grandma's house. Unexpectedly my cousin came and we went outside. When we went outside we had a snowball fight. Then we went to a big hill and slid down. We made snow angels. Finally, we got cold and we went inside. When we got inside we all helped make hot cocoa and popcorn. We put on a Christmas movie. That was the best snow day ever.

Sophia Hungerford

The most incredible snow day ever was when my mom and dad came to play outside. We made snowmen and played games. When we went inside we had hot cocoa. Then we watched tv. When we watched Frosty the Snowman, I wished my snowman would come alive. That's the most incredible snow day ever.

JosieLyn Beaudrot

The most incredible snow days are when you get to ride sleds. I also love when you can go ice fishing.

Joe Thissell

The most incredible snow day ever to me would be to have a fun, playful snowball fight with my family and friends. We also love sledding down our big hill on snow days.

Stephen Millington

The most incredible snow day ever for me would be to build a snowman and a snow fort. It would also be fun going sledding in 10 feet of snow. After playing outside, I like to go in and warm up with hot cocoa.

Cooper Haines

The most incredible snow day is happening today! I am going to build a 19 foot snowman. I will use a ladder to help me do the head, arms, and hat. The snowman will have the biggest hammer to smash big wood like lumberjacks. Then the snowman fell down on the ground and confetti popped out! The story was funny and that will be my dream favorite snow day ever.

Colton Kramar

Meet the Newest Member of JCS!

Stephanie Hutchins

Hello everyone,

My name is Stephanie Hutchins and I've joined Johnsburg CSD as the new Business Official.

I live in Indian Lake with my two daughters. I enjoy crafting and having family game nights.

I look forward to getting to know you all in the coming weeks.

Amanda Trevino

Hello Johnsburg!

My name is Amanda Trevino and I am the new guidance secretary at JCS. I'm from San Diego, California, born and raised.

We drove across the country at the end of July to relocate here. I have a Kindergartener named Odin, and I have a stepdaughter named Adrienne, who lives in California. My partner Damien, works for Barton Mines, which is what brought us out here. We are loving the small town life and just

how beautiful our new town is. I am excited to get to know all the students and look forward to meeting everyone.

Neil Mason

Hello, my name is Neil Mason; I am originally from Minerva. After graduating from Minerva, I entered the US Army and traveled around the world for 6 years. Following my Army career, I worked for twenty years as a correctional officer. I now feel it's time to vary things a little, work closer to home, spend more time with family and friends, and do more for the local community. For twenty-six years, I have been happily married to my wife Carrie. We have three children and a dog. Two of our children graduated from Johnsburg; the third is a senior right now. I enjoy trying new things, the outdoors, working on vehicles, computers and problem solving. Recently I worked with Our Town Theater Group at Tannery Pond doing sound and light design for their production of "The Belles, The Reunion". I am Happy to join the Johnsburg Central School team as their newest custodian.

Happy New Year, Johnsburg Families,

I hope everyone had a happy and safe Holiday!
Here are a few Reminders from the Health Office:

- Student Athletes must have an up to date physical in order to participate, it must be within 12 months of the day the season begins to be considered valid.
- Sports Physicals are offered before each season begins. Please contact me if you are unsure if your child's physical is valid so that we can sign them up. The next round of school Physicals is scheduled for the morning of February 6th
- If your child has been referred for their vision or hearing, please make sure to communicate with me when they've had their appointments and the outcomes.
- Many illnesses have and will continue to circulate, please keep your child(ren) home when not feeling well to help decrease the spread.

January is National Blood Donor Awareness Month

Save the date! We will be hosting a blood drive on April 11th! More info to come on how to sign up. We have a goal of collecting 30 pints, help us reach our goal!!

As always, please contact me if you have any questions!

Be well,

Mrs. Amber Aurilio, RN JCS School Nurse

SCHOOL COUNSELOR

Information provided by Mrs. Bruce

Brian Burkhardt has been accepted at SUNY Adirondack.

Charity Lupo has been accepted at SUNY Delhi, SUNY Morrisville, SUNY Cobleskill, and Paul Smith's College.

Eric Mason has been accepted to SUNY Adirondack, SUNY Plattsburgh, SUNY Oswego, SUNY Potsdam, and University at Albany.

Elington Morin has been accepted to SUNY Adirondack.

Eloise Noel has been accepted to SUNY Adirondack and Fulton Montgomery Community College.

Kaylie O'Hara has been accepted to SUNY Adirondack.

Arthur Perryman, III has been accepted to SUNY Adirondack.

Lillian San Antonio has been accepted to SUNY Adirondack and Le Moyne College.

Tristin Secor has been accepted to SUNY Adirondack and Cornell University

Proud of you!

OPEN HOUSE

Open House at Southern Adirondack Education Center on Tuesday, January 14, 2025, the Southern Adirondack Education Center in Hudson Falls from 6:00 pm – 8:00 pm. The snow date will be Wednesday, January 21, 2025. Sophomores and their families can explore programs, meet instructors, and see the hands-on classrooms.

Regents Examinations will be offered on January 21-24, 2025. Students who retake a Regents Exam and score higher will have their final average in the associated class recalculated.

Local

Scholarships

1. The Walter Grishkot Memorial Scholarship
This \$2,500 scholarship, renewable up to four years, is for high school seniors and college students residing in Warren, Washington, or Saratoga County and pursuing a major in aviation, aeronautics, or a related field. This scholarship is given in memory of Walter Grishkot of Glens Falls, a long-time

photographer, promoter, and event planner with a lifelong passion for aviation. He was best known as co-founder and long-time organizer of the Adirondack Balloon Festival. The application is available at <https://grishkotfoundation.org>
Deadline is March 1, 2025

2. The Joan Grishkot Memorial Scholarship

This \$2,500 scholarship, renewable up to four years, is for residents of Warren, Washington, or Saratoga County pursuing a major in nursing. This scholarship is given in memory of Joan Grishkot of Glens Falls, a long-time nurse, public health executive and community leader, and co-organizer of the Adirondack Balloon Festival. The application is available at <https://grishkotfoundation.org>
Deadline is March 1, 2025

3. Elks National Foundation Legacy Awards

The Legacy Awards program begins on September 1, 2024. Legacy Awards provide \$4,000 scholarships for children and grandchildren of dues-paying Elk members. The ENF offers a total of 350 national awards. Please visit enf.elks.org/Leg for more details and the application link.
The application deadline is February 3, 2025.

4. Excelsior Scholarship

This scholarship covers tuition for students attending a SUNY or CUNY college. Families whose adjusted combined federal household income is \$125,000 or less in the 2023 tax year are eligible to apply. Other pertinent criteria are on the website. You can submit your email or cell phone number to be alerted when the online application opens for fall 2025 applications.

<https://www.hesc.ny.gov/find-aid/nys-grants-scholarships>

5. Enhanced Tuition Award

Students from families earning \$125,000 or less can qualify for up to \$6,000 in tuition assistance at participating private colleges in New York State.

<https://www.hesc.ny.gov/find-aid/nys-grants-scholarships>

6. Cameron Jace Quartiers Memorial Scholarship

This \$1,000 scholarship to a graduating senior from Glens Falls High School and to 2 graduating seniors from any high school in New York State who plans to pursue a 2 or 4-year degree in an area of the health care field.

The scholarship application is in the Guidance Office.

Deadline is April 28, 2025

7. GERARD J. BUCKENMEYER FASNY VOLUNTEER SCHOLARSHIP

The Firemen's Association of the State of New York will award 25 \$1,500 scholarships to high school seniors entering college.

Applicant Criteria:

- Be a member in good standing with FASNY or have a parent/legal guardian who is a member.
- Attend high school as a senior who is enrolled in the fall 2021 school year at an accredited two- or four-year institution of higher learning or an accredited technical post-secondary school.
- Serve as a current Junior firefighter, Explorer Scout or RAM in a group affiliated with a volunteer department; a volunteer firefighter; or a volunteer with an EMS unit.
- Be postmarked or electronically submitted by 3/15/2025.
- Application can be located here: <https://fasny.com/awards/scholarship/application/>
- Demonstrate a commitment to both volunteer emergency service and the community.

Coaches Corner

*Greetings! PE, Health and Athletics have been busy! Coach Chambers and Coach Gonyo attended the NYS AHPERD conference this fall and brought back some new and exciting activities and ideas for our classrooms.

*As the snow flies, please remember to send your child with sneakers so they are prepared for PE. Students are not allowed to participate unless they have proper footwear. We will also be going outside throughout the winter, so appropriate winter attire is needed. We have sneakers and warm clothing available at school, so please reach out if needed.

*10th grade health has been busy. Joe Connelly from Johnsburg EMS has visited the classroom to certify students in CPR/First Aid. Gillian Knight from the Warren Washington Council for Prevention has also visited the classroom to certify the class in Teen Mental Health First Aid.

*Winter sports has started and we are looking forward to watching our teams compete. Basketball has been off to a great start and our nordic team is hoping for more snow to improve the local courses. As always we remind our athletes and spectators that they are representing our school and community at all sporting events. Please cheer in a positive manner, let the players play, coaches coach and the officials officiate. A full athletics schedule can be found on the school's website. We look forward to seeing you all at our future athletic events.

*Please remind your children to take care of their uniforms. Replacing lost or damaged jerseys can get costly. If athletes are unable to wash their jerseys at home we can collect them here at school and wash them here. All uniforms need to be returned at the end of each season.

*Please make sure that you are connected to your child's coaches through parent square. This is where all coaches are sharing important information regarding practices, games etc... If you need help setting up parent square or are not getting messages from coaches please reach out to Coach Gonyo or Coach Chambers. agonyo@johnsburgcsd.org or achamber@johnsburgcsd.org

*Anyone who is interested in coaching at any level is also welcome to reach out to the athletic department to get more information on becoming a coach. Thank you for all your support!

Johnsburg Central School Environmental Science Class

Mid-Year Update, December 2024

Published by the Env. Class: Brayden, Eli, Walter, Hayden, Jackson, Eric, Kaylie, Vasanti, Matthew, Eloise, Tristan, Brian

School Garden - Fall Update

This fall, our class harvested garlic and herbs from our outdoor garden beds, used finished compost to fertilize the soil, and prepared our beds for winter. We spread wood chips generously donated by Linda and Mike Quintavalle. In the classroom, we maintained an indoor grow tower throughout the fall, have a worm composting station, and use the lettuce and herbs for salads.

Family & Consumer Science Partnership

Our Environmental class grows herbs and garlic in our gardens, and give them to the FACS class to use in their culinary courses. The FACS class also composts all of their vegetable food waste, which helps make good soil for our gardens. This is a great partnership! We have made salads, homemade dressing, pesto, and pasta sauce to sample what we've grown!

Hudson River Water Monitoring

Johnsburg Central School was given the exciting mission to explore and test the chemical balance of the beautiful Hudson River. Twelve Students from Johnsburg collaborated with Minerva Long Lake, and Schrean Lake to learn about the inhabitants and life that live within our streams. The data that we collected will be used by students all along the Hudson River basin, as we compare the quality of water in the river at our location versus places downstream.

Raising Brook Trout

Our 50-gallon cold-water tank is sponsored by the Trout in the Classroom program. We receive Brook Trout eggs from the Warren County Fish Hatchery in the fall, and release the trout into local streams in the spring. We started with 200 eggs and and of those 150 of those eggs hatched and we still have at least 100 fish going strong. Throughout the process of raising our class Brook Trout, we have had to do many water changes along with water tests. We learn about the trout life cycle and why they are an important indicator species for the Adirondack region.

Future projects

We have a lot of projects coming up in the near not so distant future. First up is the very complex process of production of maple syrup. By collecting the sap from *Acer saccharum* (the sugar maple tree) we are able to then run it through a system called a "Reverse Osmosis" which will remove some of the water and reduce the boiling time. The purchase of our R.O. system is made possible by the receipt of an Agricultural Literacy Grant from NY Ag. in the Classroom. We received this grant at the end of the last school year after our maple syrup placed 3rd in the state in their maple sugaring contest! It takes 40 gallons of sap to

make 1 gallon of syrup. We are excited to take part in the competition this year.

Another of our many very exciting projects coming up is to test snow depth and dive deep into snow science to be able to help accurately calibrate satellites used to project and show accurate readings of snow pack. This is part of the X-SNOW project and we will be working with a NASA grant program!

In the spring of 2025, our Environmental class will go to the Envirothon, a state-wide academic competition. We are thrilled to be able to have such an experience this year.

Johnsburg Central School District Capital Improvement Project

Please **VOTE** on our Capital Improvement Project: January 16, 2025!

BUILDING OUR FUTURE BY RESTORING OUR PAST

VOTE DATE
January 16, 2025
12:00 pm-8:00 pm
Johnsburg Central School
outside District
Gymnasium

The Johnsburg Central School District will vote on a Capital Improvement Project that thoughtfully addresses the needs and priorities of our school district. On January 16, 2025, District Voters will decide on a \$3 million Capital Improvement Project.

Renovating our science classrooms, which are nearly 60 years old. This will enhance the safety and functionality of the space.

As a designated Red Cross emergency location, it is vital that we have the capability to generate emergency power in the event of a local outage.

The proposed project is based on the District's Building Conditions Survey, which is required by the New York State Education Department to be completed every 5 years. The two major parts of the project are to modernize our 1960 outdated and damaged Science classrooms/laboratories. In addition, we would install a generator to provide electric power when there's an outage. We are designated as a Red Cross Shelter, and without a generator, we may not be able to meet our community's needs during a crisis.

The Johnsburg Central School District is much more than an educational institution. We are committed to supporting the surrounding communities and strive for strong community partnerships. This project will enhance our school as well as our community. The Building Committee has worked with Tetra Tech Architects to design a plan that addresses some of our most pressing safety needs.

Why consider a Capital Improvement Project right now?

Currently, the District is nearing the completion of our previous Capital Project payments. We are introducing a new project to maintain a more stable tax levy for our community.

Completing this work through a Capital Project also allows the District to take advantage of NYS Building Aid (covering nearly 58% of the project cost) and maintain a consistent source of revenue for future years.

Valentine

CARNATION GRAMS

- JCS Class of 2027 is hosting a Valentine's Carnation Gram fundraiser! Brighten someone's Valentine's Day!**
- Carnation Gram w/1 carnation = \$2
 - Carnation Gram w/3 carnations = \$5
 - Flowers will be delivered in school by 2PM on 2/14
 - If you have any questions, contact a sophomore or please email rmorris@johnsburgcsd.org
 - If you would like to purchase Carnation Grams to pick up during the school day on 2/14, those arrangements can be made.
 - Underneath the dotted line number of carnations for each gram
 - Return form with payment in an enclosed envelope to school by 1/28
 - Checks may be made payable to JCS Extracurricular Fund

Dear Parent/Guardian/Family Member/Friend,
 Yearbook Student Recognition Ads are the perfect way to commemorate achievements and celebrate milestones. In addition, revenues from Student Recognition Ads help our school create a better yearbook. To purchase your ad online, follow the instructions listed below. Jostens is responsible for our school's yearbook ad sales. Please do not send materials to the school. Please also consider our school's ad content guidelines below during the creation of your ad online. If you have a question regarding ads sales, please contact Rachel Pietryka rpietryka@johnsburgcsd.org or Rebecca Morris rmorris@johnsburgcsd.org. All orders must be placed by 01/31/2025.

ORDER BY 01/31/2025	
COLOR AD	
Full Page	\$125.00
1/2 Page	\$75.00
1/4 Page	\$50.00
1/8 Page	\$30.00

Taxes, service fees, and shipping fees will be added, if applicable. Jostens payment plan available; minimum purchase requirements and eligibility restrictions apply.

Step 1

Choose your ad size and layout
(Options may vary by school.)

Step 2

Add your photos

Step 3

Enter your text

FREQUENTLY ASKED QUESTIONS

What are the guidelines for recognition ad content?
 Schools may review and edit ads per their guidelines. Jostens retains the right to remove any explicit text, graphic photos or copyright-protected imagery or photos.
School Ad Content Guidelines
 Our school reserves the right to edit ads per our guidelines. Please make sure all submitted materials are appropriate for school publication.

How are the ad prices determined and what is the money used for?
 Recognition ad prices are determined by our school. Revenue from recognition ads helps the school create a better, more affordable yearbook.
How is the ad deadline determined?
 The ad deadline is set by our school based on the production schedule for the yearbook.
Can I create my student's ad on my mobile device?
 Yes, yearbook ads can be created online from both desktop and mobile devices.
